• +91 8688959653 • kadirivignesh2005@gmail.com • Guntur

SUMMARY

Aspiring to launch a successful career in the engineering industry, I am eager to apply my technical expertise, adaptability, and passion for innovation to contribute to impactful projects. As a 2025 graduate, I seek opportunities to learn from seasoned professionals, further develop my skills, and make meaningful contributions to the field.

EDUCATION

Bachelor of Technology	2021 - 2025
KKR & KSR INSTITUTE OF TECHNOLOGY AND SCIENCES	
Specialization in Computer Science and Engineering	
Intermediate	2019 - 2021
Sri Gayatri Junior College - MPC	
SSC	2018 - 2019
DR.K.K.R Gowtham School	

ADDITIONAL INFORMATION

- Programming Languages : C, Java ,Python
- Web Development : HTML, CSS, JavaScript, React, UI/UX
- Database : SQL, MongoDB

PROJECTS

- TRIP AMITY: A mobile application designed as a travel companion to facilitate itinerary planning for trips.
- TS-HUB: A web-based application intended to aid students in catching up with educational materials provided by faculty members..
- NEXT GEN TRAVEL SYSTEM: An IoT device that streamlines the travel experience by scanning passengers' RFID cards at boarding and destination points, assigning seats, generating fares, and enabling direct payments via wallets, credit cards, and UPI.
- SCHOOL BUS MANAGEMENT SYSTEM: An IoT solution implemented in school buses to enhance child safety by sending real-time location and boarding/dropping details to parents and management. Additionally, this system provides management with comprehensive reports on fees while offering parents vital information regarding their child's commute.
- SKILL TROOVE : Developed a web/mobile application designed to connect freelancers and recruiters efficiently. The platform utilizes AI-driven matchmaking and location-based recommendations to streamline the hiring process, allowing freelancers and recruiters to connect both automatically and manually.

CERTIFICATIONS

- WIPRO Certified JAVA Full Stack Developer
- CodeTantra Certified MERN Stack Developer
- Completed Short term internship in the guidance of IIDT BLACKBUCK in AI-ML-DS
- Advanced Python Programming certification by AMPHISOFT (E-Box).
- Data Structures and Algorithms using C Programming by AMPHISOFT (E-Box).
- Data Science for Engineers by NPTEL.
- AI & IoT Development by MAKESKILLED.
- MEAN Stack Development by MAKESKILLED
- Android App Development by MAKESKILLED.
- Google Cloud Computing Foundations by GOOGLE.
- AI-ML Certification by YHILLS.
- JAVA Full Stack Development by EDUNEXT.

CO-CURRICULAR ACTIVITIES

- Member of CSI (Computer Society India), it is a student chapter, where I participated in many Technical Events.
- participated in an MEAN Stack Hackathon and JAVA Full Stack Hackathon and got accepted as a finalist.

PERSONAL DETAILS

Name : Kadiri Sai Vignesh
Father's Name : K. VenkataRamana ChandraSekhar
Date of Birth : 27-05-2005
Hobbies : Coding and Software Development, Tech Blogging.
Strengths : Technical Proficiency, Project Experience, Innovative Thinking

DECLARATION

I HEREBY DECLARE THAT ALL THE INFORMATION GIVEN ABOVE IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE

PLACE :

DATE :

K. SAI VIGNESH
